A Comprehensive Medical and Rehabilitation Center

## **TRCC**

**Transit Rehabilitation Centers of Chicago**

850 South Wabash Avenue, Suite 200

Chicago, IL 60605

P | (312) 646-1009

F | (312) 224-2537

TRCC offers 24 hour/7 days services for injured workers or for other personal injuries. Staffed by MD's, DC's, and PT's, the staff of TRCC offers optimized services to promote recovery. Onsite x-ray and medication dispensing allows total services all during the same office visit. Efficient front and back office staff will assist in the completion of necessary paperwork and communication with insurance carriers and worksites to allow the patients to focus their full attention towards healing and full recovery. TRCC offers full services for all musculoskeletal injuries including functional capacity exams (FCE) and work reconditioning programs. TRCC also offers comprehensive testing for head trauma and concussion, as well as treatments for other dizziness and balance related disorders.
